AMPHITHEATERS

KOKOMO

Bring your community together with a Polygon structure. Make your site the hub of entertainment and the go-to place for hosting public events.

CONSTELLATION

Add signage to your structure, created with our high performance laser, to identify sponsors and enhance site recognition.

HOUSTON

Get a return-on-investment through concerts, performances, and fundraisers for your park.

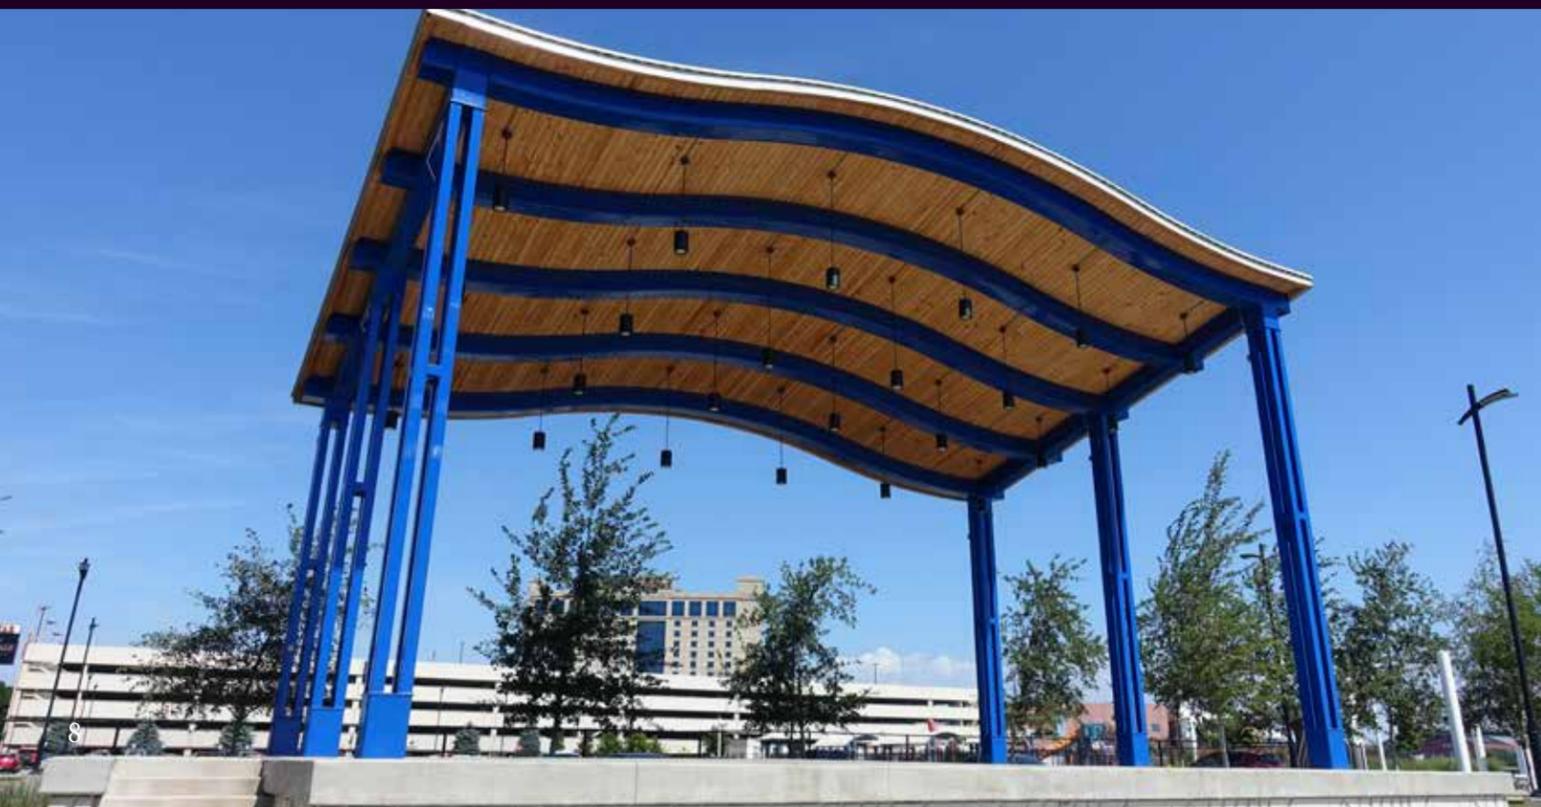

ALPINE

Have a different design in mind? Poligon's design, sales, and engineering teams will work with you to create a site specific structure perfect for your site. Our shelters can be freestanding or incorporated into a building or stage. We love to take on your ideas, merge them with our experience, and create custom structures perfectly suited to your needs and budget.

CUSTOM

Structures can be enhanced by adding handrails, column covers, custom ornamentation, integrated benches, lightning protection, electrical cut outs, wind screens, or additional clearance height. Steel frames are protected by our industry leading, long lasting, super durable Poli-5000 powder coat.
