WHY POLIGON?

Whether revitalizing downtown districts, activating public plazas, enhancing healthcare campuses, or creating vibrant gathering spaces, Poligon partners with architects, municipalities, developers, and owners to transform outdoor environments into destinations that strengthen communities.

HIDDEN CONNECTIONS

INTERNAL CONDUIT

POLI-5000 FINISH

THE POLIGON ADVANTAGE

The difference isn't just in what we build, it's in the possibilities we create.

MANUFACTURING EXCELLENCE

Proven expertise designing and manufacturing engineered shade structures since 1964. U.S.-based manufacturer that calls Holland, Michigan home.

INDUSTRY-LEADING CERTIFICATIONS

AISC and PCI 4000 certified - demonstrating rigorous quality, fabrication, and coating standards that lead the industry.

FASTER, MORE PREDICTABLE INSTALLATION

Precision-manufactured components and coordinated logistics reduce field labor, minimize installation time, and improve project schedules.

ENGINEERED FOR CODE COMPLIANCE

Structures designed and engineered to meet site-specific wind, snow, seismic, and building code requirements nationwide.

SINGLE SOURCE RESPONSIBILITY

Engineering, fabrication, coatings, logistics, and technical support all coordinated through one manufacturer and its authorized dealer network.

Poligon combines the strength and resources of a national manufacturer with the responsiveness of a local dealer network, delivering a consistent, high-quality solution.

**MORE THAN SHADE.
WE CREATE PLACES PEOPLE WANT TO BE.**

FROM VISION TO DESTINATION

DESIGNED TO CONNECT

From the first sketch to final installation, Poligon manages every stage of the process—providing engineering expertise, manufacturing excellence, and dedicated support to help projects move efficiently from concept to completion.

DESIGN

Drawings, renderings, and budget pricing bring the vision into focus.

ENGINEER

Precise, project-specific engineering moves toward permitting.

FABRICATION

Architectural structures crafted with durable materials with attention to detail.

INSTALLATION & SUPPORT

Installation guidance and ongoing support brings the vision to life.

This brochure is intended to inspire and showcase the possibilities of our design capabilities. Many of the images featured are conceptual renderings created by Poligon and created to illustrate potential applications and design approaches. Every space is unique, and our structures can be customized to complement the vision, architecture, and needs of your site.

URBAN CORE

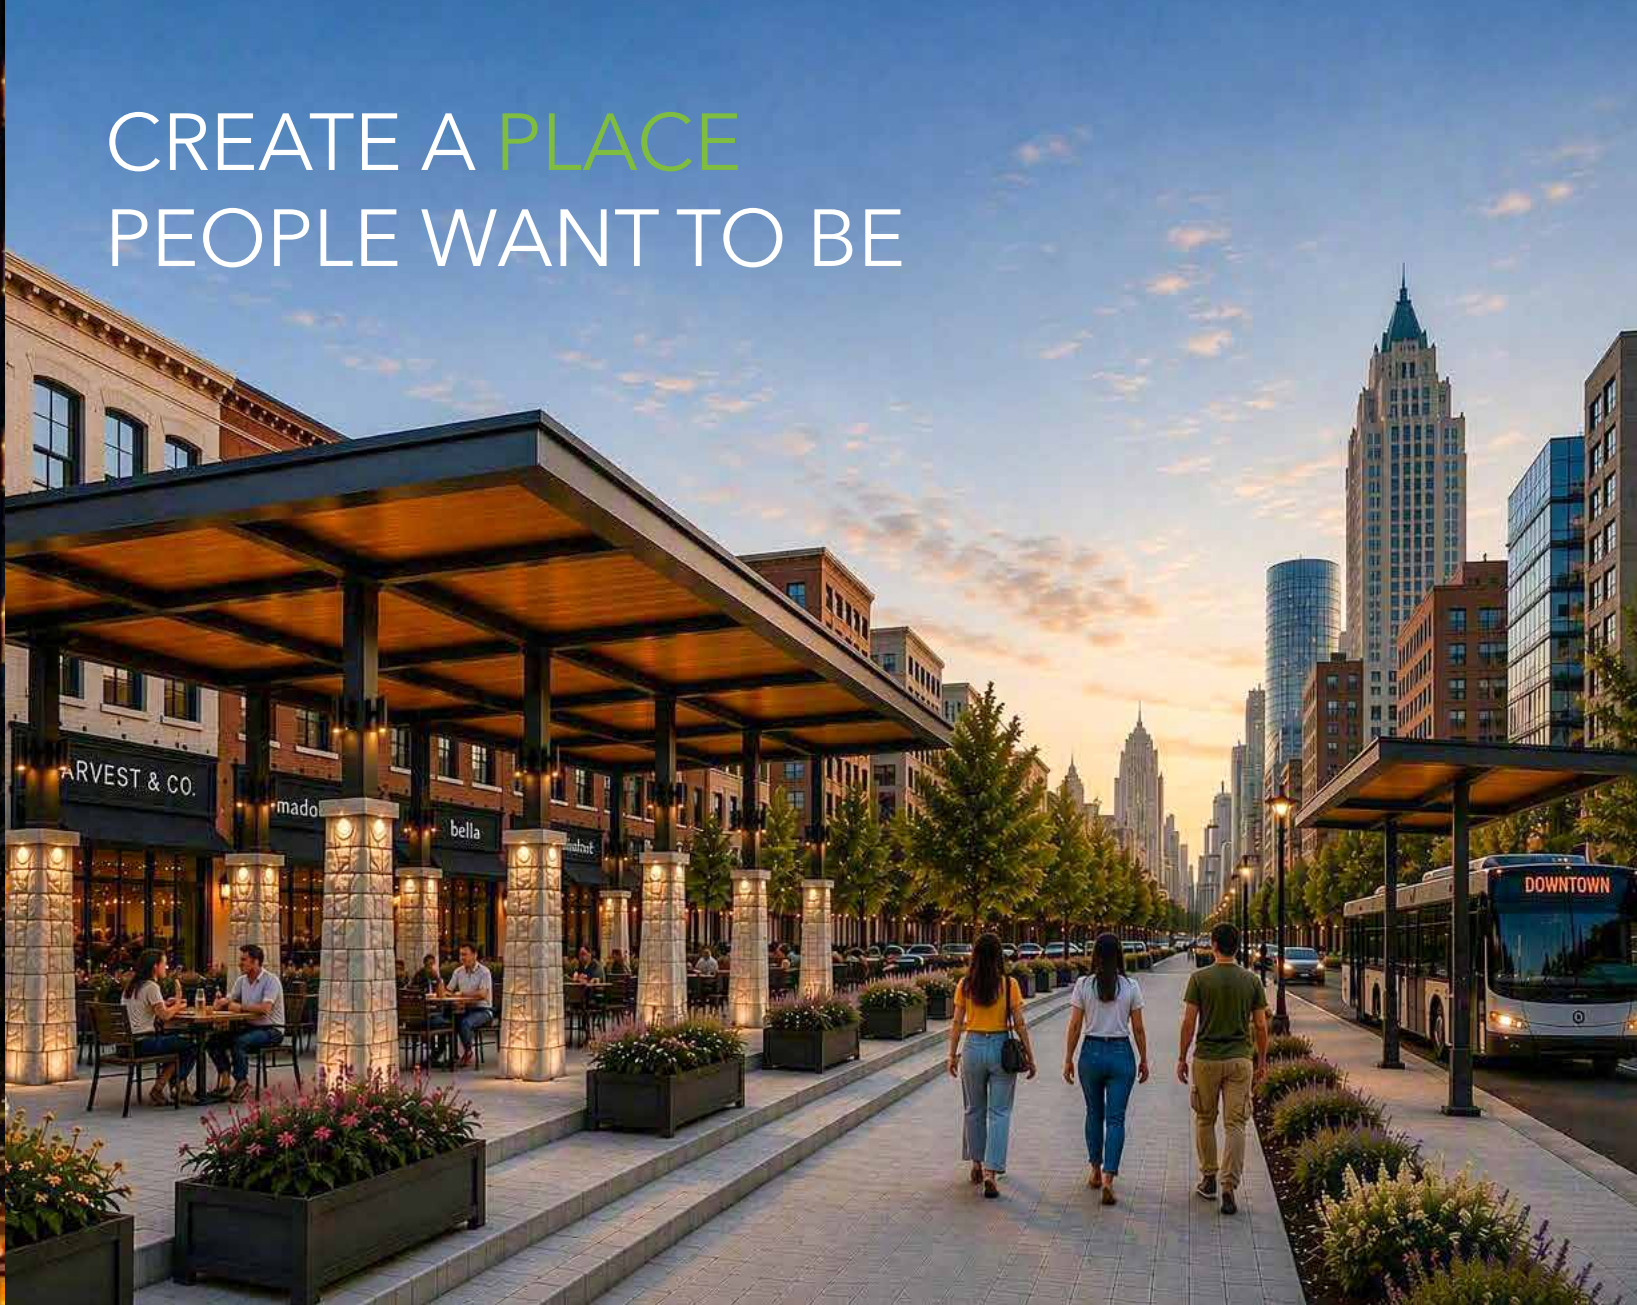

DESIGNING THE WAY A CITY FEELS

The urban core is where people gather, connect, and experience the character of a city.

REVITALIZE YOUR DOWNTOWN
Create vibrant public spaces that attract visitors, encourage commerce, and strengthen community connections.

CREATE A PLACE PEOPLE WANT TO BE

PLAZAS GATHER & CONNECT

Create welcoming destinations where people meet, relax, dine, and engage with the surrounding community.

STREETSCAPES ACTIVATE THE JOURNEY

Transform walkways and corridors into vibrant pedestrian environments that connect destinations & encourage exploration.

TRANSIT AUTHORITIES CONNECT PEOPLE WITH PLACES

Provide durable shelters that improves the passenger experience and strengthens connections between transportation and community.

LIFESTYLE AND LEISURE

DESIGNING FOR CONNECTION & ENJOYMENT

Lifestyle destinations are where people relax, socialize, and create the experiences that keep them coming back.

ENHANCE NIGHTLIFE

Provide seating for visitors to relax and enjoy the view and structures for dining, entertainment, and social events that extend activity beyond traditional business hours.

TRANSFORM SPACES INTO EXTRAORDINARY EXPERIENCES

ROOFTOPS

ELEVATE THE EXPERIENCE

Transform underutilized spaces into inviting destinations that encourage gathering, relaxation, and unique elevated views.

RIVERWALKS

CONNECT & UNWIND

Create comfortable places to pause, gather, and enjoy the view while strengthening connections between people and place.

SOCIAL DISTRICTS

INVITE & ENGAGE

Activate outdoor spaces with welcoming amenities that encourage interaction, extend visits, and support a vibrant community atmosphere.

COMMERCIAL BUSINESS

DESIGNING TO ENHANCE ESTABLISHED PLACES

Modern amenities and place-making features refresh aging developments, improve curb appeal, and create environments that attract tenants, customers, and guests.

ELEVATE EXPERIENCES
Thoughtfully designed amenities transform entrances, enhance visibility, and breathe new life into aging properties.

REVITALIZE FIRST IMPRESSIONS RE-IMAGINE PROPERTIES

RETAIL ATTRACT & ENGAGE

Renew shopping destinations to attract visitors, encourage longer stays, and enhance the overall shopping experience.

HEALTHCARE COMFORT & RESTORE

Provide protection over entryways and healing outdoor environments for patients, visitors, and staff.

BUSINESS & HOSPITALITY WELCOME & IMPRESS

Elevate first impressions, enrich guest and employee experiences, and strengthen property appeal.

NATURE AND OPEN SPACES

DESIGNING TO RECONNECT WITH NATURE

Bringing city life outdoors through inviting structures and gathering spaces that encourage people to relax, reconnect, and enjoy the natural environment

ACTIVATE GREEN SPACES

Utilize green spaces to help people escape the hustle and bustle, reconnect with nature, and recharge in the heart of the city.

RESTORE BALANCE RECONNECT WITH NATURE

POCKET PARKS PAUSE & RECHARGE

Offer a space to retreat where people can slow down, recharge, and enjoy a moment of nature amid the city.

COURTYARDS GATHER & CONNECT

Extend dining and gathering spaces outdoors using covered shelters as an extension of your indoor space.

COMMUNITY GARDENS CULTIVATE & THRIVE

Support community wellness and encourage participation through shared outdoor spaces rooted in nature and growth.
