

Buying a Poligon Shelter Just Got Easier

Join NJPA and streamline your shelter purchase while satisfying your local solicitation requirements.

Contract Purchasing

The National Joint Powers Alliance (NJPA) is a municipal contracting agency serving over 50,000 members throughout the nation. As a public government agency itself, NJPA responds to its members' purchasing needs by facilitating and awarding national competitively solicitation contracts. On behalf of NJPA members, NJPA has facilitated an RFP for "Playground and recreation related equipment, accessories, and supplies," which includes all Poligon steel, fabric, and wood related products.

The Poligon Advantage

Under NJPA contract 030117-PPC, Porter Corp, the manufacturer of Poligon, is the exclusive supplier of shelter related equipment and services. Now, you can have a high quality shelter with the most durable powder coat finish system in the industry, and it's easier than ever.

A No-Cost Opportunity

There is no cost, liability, or obligation in joining the NJPA. Becoming a member will give you access to Poligon's entire product line together with over 100 top manufacturers and suppliers across the country.

Imagine The Possibilities

Open Air Structures

Take Advantage of the Benefits

You can save time by purchasing through NJPA contracts, and still satisfy your own competitive solicitation requirements. Members can take advantage of leveraged contracts and a full line of contracted products.

Quality Assurance

Manufacturing a high quality shelter has always been a top priority for Poligon. The shelter products and frame finishes (Poli-5000) are third party tested to meet or exceed building codes and product related specifications, giving you real peace of mind knowing the shelters you specify will be enjoyed for years to come.

Service with a Smile

Poligon by Porter Corp is well known for making the shelter purchasing experience simple and easy. You can count on seasoned product representatives who know the parks and recreation business inside and out - professionals that make your selection/design process painless and understand your time is valuable.

Ordering Made Easy

Your local, courteous, and trained representative will walk you through the entire purchasing process quickly and easily. We offer a full line of services including:

- Custom design services
- Shelter specification while satisfying the solicitation process
- Engineering
- Turn-key project management from design to installation
