**Portal entrance description marker**

**Design Intent**
The Portal serves as a passage structure and typically denotes entry into special place. The steep pitched trusses frame the gable with its medallion and text arch.

**Standard With This Structure:**
- Steel columns and frame members coated with super-durable Poli-5000 powder coat finish.

**Structure Modifications:**
Modifications possible by adding a lettered arch and/or medallion ornamentation in the gable, lightning protection, electrical cutouts, increase clearance height and/or custom clearance height columns.
